Dear Parent

I am writing to you today to see if your child is interested in playing the drums.

This is a great opportunity to learn a very popular musical instrument that is used in all styles of music. It is not difficult to play if taught correctly and you can play all sorts of music - Rock, Classical, Jazz, Pop and World music. I try and make Lessons fun , you can play songs you like or you can also follow the Graded Music course which is useful for ensemble or solo performances in GCSE and A Level music.

As well as being fun Music can provide great opportunities to perform in interesting places and work with famous people! Lessons and practise don't need to be noisy. I will be using an electric drum kit in lessons so you can easily turn the volume up and down and /or play with Headphones.

If you are interested please fill in the form below and join the drumming Curriculum at St. Clare's in September.

Lessons are £16, all equipment is supplied. Initial taster sessions are available.

Please feel free to contact me if you have any queries on [noel@onlydrumsaloud.com](mailto:noel@onlydrumsaloud.com)

Many Thanks

Noel Watson
