SHOES

School shoes

We are aware lots of sports' brands now make a school shoe. We are happy for pupils to wear these shoes to school but with the following provisos:

- a) The brand logo is black and not obvious;
- b) The shoe is all black leather or a pleather/leather equivalent;
- c) There are no embellishments on the shoe eg silver or gold logo toggles (as seen on some versions of the Nike school shoe range);
- d) The shoe would be suitable for a workplace and looks like a school shoe and not a trainer.
